All students that stay after-school for any reason must report to after-care, (this includes student stay after-school for SPORTS, CLUBS, AND ANY OTHER AFTER-SCHOOL PROGRAM). THERE WILL BE NO EXCEPTIONS! The adult responsible for the after-school activity will collect their students from after-care.

Any Student in an after-school program that remains in after care for longer then 15 minutes either before or after said program will be charged according to the hourly rate.

Your child must be picked-up once an after-school activity is complete, otherwise they will be escorted to after-care and the family will be charged at the hourly rate per student.

There is a \$25.00 registration fee for all families. All Billings will be posted thru our tuition management company FACTS and subject to our exclusion policy.
