Additional Information Regarding Tuition and Fees:

Fundraising / Volunteering

St. Colette School maintains its cost effective tuition rates in part through several key fundraising activities. All families benefit from your participation in these fundraisers. In order to properly operate our key fundraisers, we ask each family to make a personal commitment to participate in the candy sale, school raffle ticket sales and other fundraisers conducted by the school. In addition, we ask each family to commit to volunteering for a minimum of 10 hours in various activities.

Financial Obligations Associated with Enrollment

Each family is responsible for the financial cost associated with tuition and fees, including non-parishioner and Fund Raising and volunteering Waiver fees. Your financial commitments include timely payment of all outstanding balances based on the payment schedules chosen at the time of your annual enrollment. Families who cannot meet their financial commitments are required to notify the Principal of St. Colette School at time of payment delinquency to discuss payment terms.

Extended Care

St. Colette School has made extended child care a key component of its program. Afternoon activities provide a stimulating, fun and caring environment from Dismissal through 6:00pm, Monday through Friday. Please see the Extended Care tuition supplement for associated costs.
